Declaration of Originality

This signed declaration must be submitted together with your solution to each graded homework in this course. Submissions without a signed declaration will not be graded.

Course:

Advanced Algorithms

Graded homework (tick one):

☒ Homework 1 ☐ Homework 2

Declaration

With my signature I confirm the following (tick each statement):

☒ I have written **my own independent solution** to the homework indicated above, in my own words.

☒ I did **not** seek or use solutions, or partial solutions, to the homework problems from any external source (e.g. papers, books, online forums, solution collections). I consulted textbooks, including those recommended in the course, only to study the underlying concepts.

☒ I did **not** use any generative artificial intelligence (AI) tools[1] at any stage of working on this homework, including for solving problems, generating or checking ideas, providing feedback, formalizing intuition, producing or verifying arguments, proofs or code, searching for solutions, or writing, rewriting or paraphrasing my answers. I have not uploaded, pasted or otherwise shared any part of the homework text or my solution with an AI tool.

☒ I did **not** discuss the homework with other students. I neither gave help to nor received help from anyone.

Submitted by:

Last name: Imeri

First name(s): Klevis

I understand that the work may be checked for originality, including electronically, and that a false declaration constitutes academic misconduct and may result in sanctions under the applicable examination and disciplinary regulations.
